Council

CT State Dept. of Education

---

Please join us for a day of learning about how the School Breakfast Program can foster continued excellence and academic achievement in your school! Meet other school administrators, community members, food service directors, and school nurses interested in starting a school breakfast program, or increasing participation in their existing school breakfast programs.

Learn about how your school can creatively serve breakfast to more students, hear about strategies to generate buy-in, find out ways to promote breakfast at your school, and more!
